

TIC-MS is GOING PAPERLESS!

The Instrumentation Center - Metrology Services

TIC-MS, Inc., is committed to providing the highest possible level of metrology and calibration services to our customers, and provides all of your certificates of calibration available to you from anywhere in the world. This includes your current and historical certificates as well.

In an effort to be more mindful of the environment, TIC-MS, Inc. is going paperless. We understand going paperless is a process. Our **OLM program** will allow you access to all of your certifications of calibration online from anywhere in the world.

TIC-MS, Inc.
11692 Lilburn Park Rd.
St. Louis, MO 63146
Ph: 314-432-3633
www.ticms.com

These 6 easy steps can help you plan, prepare and manage all of your certifications electronically.

- ✓ Visit: www.ticms.com
- ✓ Select the OLM Acct Access tab
- ✓ Enter your TIC customer number and password
(We have provided your TIC Account ID number and password at the top of this page)
- ✓ **New On-line Users will be required to fill in New Customer Information** (If you experience problems logging on, please contact Boyd Deckard at BOYD@TICMS.COM or call us at 314-432-3633)
- ✓ Welcome to our TIC-MS, Inc. Calibration Compliance Program!
Select Continue
- ✓ The On-line Metrology Main Menu (OLM) will allow you to access tool certifications, status information, calibration history, cal codes and more.

If you do not have **OLM access**, please contact **TIC-MS, Inc.**, at 314-432-3633 or email us at TICMS@TICMS.COM. As always, TIC-MS will be there to answer any questions you have as we go through this process together.

Thank you for allowing TIC-MS, Inc. to be your number one source for your calibration needs.
